\* Manifolds marked with an asterisk (\*) are available with machined injector ports. See catalog or website for part numbers.

Note: BB Chevy manifolds are available with oval ports (-O) or rectangular ports (-R). The -4500 designation indicates the inlet flange is for a 4500 Dominator carburetor. All other listed carbureted manifolds have a 4150 inlet flange.

Note: In listings above, the top number is a polished finish and the bottom number is a satin finish.
